Incident Report

This report is to be used to inform the SSHL Rules & Ethics Committee of any incidents that occur at an SSHL game or practice. An incident is generally off the ice surface, that involves spectators, rink personnel, players, coaches, minor officials, team officials or any other people who are not covered in the playing rules. Such incidents might include verbal or physical abuse of an official or coach, an altercation between spectators, confrontations in a parking lot, in the lobby or anything else that is detrimental to the game of amateur hockey and displays poor sportsmanship. Please fill in the information requested below. If you don't know the details, just relate what you saw. The SSHL Rules & Ethics Committee will determine the appropriate course of action. Complete this form, scan and e-mail this form within 24 hours of the game to dmgoal31@msn.com.
