Our Mission At St. Jude

The St. Jude Knights Hockey Club is a non-profit organization whose goal is to educate our youth by teaching positive life values, such as dedication, hard work, self-discipline and good sportsmanship. Our purpose as a youth hockey organization is to promote skill development and to teach the fundamentals of this great game. Youth ice hockey is just a game; we play the game to have fun. Our philosophy is not to win at all costs, but to promote team play for all players at all levels. For over **50 years** the St. Jude Knights Hockey Club has worked to instill these values into our children through the dedication and support of our many volunteers.
