Eligibility Requirements: All of our Freestyles have been designated as "Open" for this session. This Contract/Freestyle ice is for skaters at the Delta level and above. Skaters Gamma and below are only allowed to be on the ice during their private lesson.

To Register for ice time: Under the session you want, circle the week numbers you will skate (#s correspond to the dates listed on the reverse side of this page). If a number is missing, there is no session that week. **SUBMIT THIS REGISTRATION FORM** and payment to a Freestyle Supervisor - pre-registration dates are listed on the back. If you want to reserve the same slot for the entire year - ask the Freestyle Supervisor about the requirements for becoming a "Pre-Buy Contract Skater." **REMEMBER:** Circle the week #s you want. **Only 24-hr advance notice** or doctor's note will allow for credit of any sessions you miss.

"Pick your hour" morning weekday sessions available: We are continuing the option to "pick your hour" for the **morning weekday sessions**. It's easy! Choose two half hour sessions, back to back, and let the Freestyle Supervisor know the hour you have picked. All slots must start on the half hour. Example: 6:30 & 7:30 am.

Punch Card and Unlimited FS Passes: We also offer discount punch card programs and unlimited passes (U-Pass) to our freestyle skaters. These programs allow skaters to receive additional savings on our contract ice. Questions? See our Freestyle Supervisor or Arena Manager.
