Dear Skater,

You are personally invited to become a member of the *Franklin Park Fusion* ISI Recreational Figure

Skating Club. The *Fusion* is in its fifth season at the Park District of Franklin Park Ice Arena and is a part of a cooperative effort of the Skating School, coaches, skaters and parents.

There are many reasons to become a member of this program and, as one of our skaters already involved in ISI testing; we would very much like to have you join us. The *Fusion* encourages the development and achievement of individualized goals as well as formal recognition of those accomplishments. It has ongoing development of a group of skaters to represent the Franklin Park Ice Arena in local and, possibly national, ISI endorsed competitions. Most importantly, the *Franklin Park Fusion* encourages friendship and camaraderie, a nurturing environment between older and younger skaters and a true sense of home rink.

We are sure that you will find something of importance within the Club. If you would like to know more, please attend our first meeting in early fall, date/time TBA. There will be a presentation followed by ordering of Fusion clubwear and jackets.

If you have any questions, please feel free to contact Carla Deak at 847-671-4268 or e-mail the cdeak@fpparks.org
Thank you and we look forward to hearing from you.
