**Skill-building and competitive fun for the aspiring hockey stars of all ages and levels.**

## **Learn The Game !**

Our **Panther Paws** classes cover hockey basics for youngsters ages 3 and older. Classes meet for 30-45 minutes and work on skill development through drills and on ice games. We end the session with a cross ice game on the big ice.

The **Junior Panthers Program** is dedicated to cultivating youth hockey talent through skill development on the Studio and Main Arenas. This will be done in a fun, competitive atmosphere with the introduction of cross ice games.

**Both programs run concurrently on Sunday mornings for 11 weeks.**

**Helmet with face mask required for ALL students.
