

LTHC Recommended Summer Camps

The entire LTHC coaching staff encourages all players to stay in shape and ready for the Fall season over the summer! Hopefully the list below will help you get started on searching for the hockey camp that is right for your player. Be sure to contact other team members/line mates and try to register for the camp together. It's always more fun if you have a friend with you! Plus they will learn the same drills/skills/techniques and can pass them along to others in the fall!
