Our Learn To Play Program is designed to introduce children and their parents to the wonderful game of ice hockey. We teach the fundamentals of skating in a fun environment, along with other essential hockey skills, providing a solid foundation for young players to build on. As their skills progress in additional Learn To Play Programs and public ice sessions, many will be ready to graduate to team play programs such as Spring League, Summer Ice, and Recreational and League play. Our children also learn skills such as **teamwork, confidence and respect**, which will help make them **champions in life**.

To register: please complete and enclose this registration form, the medical history form, a signed waiver of liability form and check for the IMR Fee & Equipment Loan Deposit, if it applies.
