

Ames Minor Hockey & Northern Edge Hockey School Scholarship Opportunity

Northern Edge Hockey is excited to announce an association with 7 St. Louis, Missouri Area business leaders; with the goal of creating several hockey scholarships to any of our local summer 2009 programs. **Only youth players in need of financial assistance to attend a Northern Edge Program should apply for these scholarships.**

Luxco, Fred Weber Inc., Veolia Environmental Services, Caribbean Crème, The Orthopedic Center of St. Louis, Montgomery Bank, and Missouri Foot & Ankle are pleased to provide the **Ames Minor Hockey, 1 Scholarship** for a player in your association to attend a Northern Edge Hockey Camp this summer. This is a tremendous opportunity for youth players to experience a camp like Northern Edge, who may otherwise not have the chance to attend a summer hockey camp.

In order to be eligible for this scholarship, the player must be an active member of the **Ames Minor Hockey**. We ask that you send an essay (no more than 250 words) detailing why you should be considered for this scholarship and what an opportunity like this would mean to you as an individual and your hockey development. Please email your essay to: jsberg72@aol.com.

The scholarship request deadline is May 22, 2009 with all winners being posted on the **Ames Minor Hockey** website June 1, 2009.

To learn more about **Northern Edge Hockey** and our many specific program offerings, please visit our website at www.neehs.com, and be sure to see our [new video](#) (3 minutes) on what could be in store for you this summer.

Northern Edge Hockey is proud to be associated with these corporate partners, and would once again like to thank them for their continued support of youth hockey in our community.
