Friends of AMHA listings

Friends of AMHA listings are messages published on the AMHA website (allows message to be longer than years past and can be viewed by family and friends), often encouraging a specific skater. They cost \$10 each, and the skater who solicits the message is credited with the full \$10 toward fees.

Examples:

Good luck from Grandma and Grandpa, Michael.

Wishing all the Squirts a great season, Jane and John Doe.

You may have as many of these listings as you like. It is the skater's responsibility to collect the money for the ads and turn in the money with this form. A box will be available at the ice arena, or you can mail listings to:
