**LINE CAPTAINS:** Can't find 20 people to bowl? Try designating 4 "Team Captains" and have them recruit 5 bowlers each. We'll include a form with your registration packet to help you out. Captains should try to find as many co-workers as possible, but they can also recruit friends, neighbors, relatives or customers. In the end, many Corporate Teams have less than 20 bowlers, but every team big and small will have a great time.
