Welcome Back!

Dear Members,

Welcome back to the Janesville Youth Hockey Club. It is my honor and privilege to be President during this exciting time. I am thrilled about the upcoming opportunities to see the sport of hockey continue to grow in this community. The Janesville Jets have completed their camps and team selections. Their inaugural season is upon us. Our building committee continues to look at the feasibility of a potential new rink and will be meeting with the Janesville City Council shortly.

Improvements continue to

be made to the In-House Development program. Janesville will now offer a Girls U-14 and a Girls U-12 coop team with Beloit. Skill development program practices will be setup and scheduled in advance. Each team will also have a full ice practice prior to the start of league play.

We continue to seek improvements to increase member satisfaction, value, and competitiveness. The end of season surveys

completed continue to show that we are moving in the right direction. The biggest challenge this year will be accommodating the increasing number of skaters that we anticipate. Not a bad problem to have!

We hope you are as excited about the upcoming hockey season as we are and look forward to seeing you and your skater at the rink shortly.

Sincerely,

Mary Burke,

USA HOCKEY ON-LINE REGISTRATION REQUIRED THIS YEAR!

This is a Learn-to-Skate and Learn-to-Play Hockey program. This program is designed for beginners and younger skaters. The emphasis is placed on having fun learning basic skating and hockey skills. This program is open to skaters 4-8 years old. Older skaters will be offered the opportunity to play in half-ice and cross-ice games against clubs in our area.
