Thank You for your interest in supporting Janesville Youth Hockey!

Janesville Youth Hockey Club is a non-profit youth sports organization serving kids from Janesville, Milton, Evansville, and Edgerton. Our mission is to provide the opportunity to play the great sport of hockey in a safe, structured program, while building self-esteem, motivation, perseverance, and courage within a team atmosphere.

Compared to other youth sports, hockey is unique for several reasons:

- Players get a lot of playing time, and practice ice is a 2 to 1 practice to game time ratio.
- Teams have highly skilled, state certified volunteer coaches with a high coach to player ratio.
- Seasons last longer than most sports; starting in October and running into March.
- Every weekend our travel team kids compete with teams from all over Wisconsin, as well as, Illinois, Iowa and Minnesota.

The success of our program relies upon strong sponsorship commitments from the community and area businesses. Our club's pledge is to deny NO child the opportunity to play hockey due to economic hardships. The sponsorship program provides the necessary funds for hardship scholarships, and minimizes association expenses to maintain an affordable program for all participants.

Besides making a valuable investment in our youth and our community, the sponsorship program includes other advertising benefits for you or your company. Select a program on the next page, and help us bring the joy of hockey to our community.

Thank you and GOOOOO J-HAWKS!
