Hello Cheetah families,

We have a special announcement. Cheetah mom Linda Harris has arranged for team and individual photographs. The photographs are for both Cheetah mentors and athletes. We hope mentors will be able to make the team photo. Athletes can also have both individual pictures and/or pictures with a mentor if they want. Details are below.

What: Cheetah team/individual photos

Where: Rockville Ice Arena, Rink 2

When: Saturday, Dec. 15, 2007 12 noon

What to wear: Cheetah game jersey if you have one. If not, wear a Cheetah practice jersey. If you do not have a practice jersey yet, Steve Berk will bring one for you. Wear your ice hockey equipment as well.

Ordering info: Forms will be available on the 15th to order pictures. If you preorder on the 15th you will save 5%. If you do not preorder, you will receive email notice when all of the pictures are available for viewing and ordering. The photographer will have a laptop at the rink on picture day so that once the pictures are taken parents can do a quick preview to pick the photo(s) they like. Upon notice via email, the pre-orders should arrive in 4-5 days. Photos will be mailed directly to players' homes.

Thanks to Linda for organizing this.

Have a Happy Thanksgiving. Next practice is on December 1, 2007 at 11:50am to 12:50pm.
