DEAR FRIEND:

As a member of the Cadillac Area Hockey Association, I am selling advertising space in our annual yearbook and I would truly appreciate your participation.

There are close to 100 players in CAHA, all with friends and family who will see your ad. You can advertise your business, or just give me a personal message of encouragement for a fun and successful season.

All the money I generate from selling ad space will go toward my hockey bill and will allow me to continue learning, playing, and growing as a hockey player.

Thank you for your generosity and your consideration.
