

VALLEY CITY HOCKEY CLUB- Head Coaches, Assistant Coaches, Co-Coaches- Mite, Squirt, Pee Wee, and Bantam Teams

If you are a driven individual who enjoys teaching aspiring hockey players to reach their full potential and achieve their dreams then you may be who we are looking for.

Valley City Youth Hockey program offers experienced and new qualified ice hockey coaches a positive environment for the creative, focused and well planned training and coaching of youngsters 5-16 years old. Team building, skill development and advanced game play are central goals. The Valley City Hockey Program operates with a:

- A regulation indoor rink with bleachers, scoreboard, locker rooms, and concession stand;
- Supportive hockey administration and personnel;
- Well organized hockey parents group;
- Strong program and team organization and administration so coaches can focus on coaching and team building;

In addition to being technically competent and an effective communicator, we're looking for hockey tutors with the right attitude who possess a true love for teaching the game.

Visit the Viper hockey website to see more information as it is available.

www.usahockey.com/valley_city

Practice and Games currently being scheduled now. That information will be updated to website when finalized. Coaching clinics available now to become registered.

So if you are looking for something "COOL" to do and would like to participate as a Head, assistant or co-coach for one of the teams or have any questions about the program, please contact one of the members below.

Thank you,
