

## **Before Coming to Registration**

**EVERY PLAYER needs to complete the USA HOCKEY ON LINE REGISTRATION at <https://www.usahockeyregistration.com/>.**

Once completed, a copy of the USA Hockey registration **MUST** be brought in to BYHA registration. BYHA is not responsible for the \$36.00 USA Hockey/Maine Amateur Hockey fee and it is not included in the BYHA registration fees. If you do not have access to computers, we should be able to assist in the BYHA office, but you will need to bring a credit card as USA Hockey does not accept checks.

If this is your child's first year in BYHA Hockey, please bring a copy of his/her birth certificate. You will also need to prove residency with a Driver's License, Utility Bill or something similar with the parent's name and address. BYHA services the towns of Acton, Alfred, Arundel, Biddeford, Dayton, Kennebunk, Kennebunkport, Lebanon, Limerick, Lyman, Newfield, Old Orchard Beach, Saco, Sanford, Shapleigh and Waterboro. (Children from other towns are welcome, but will need to obtain the appropriate release from their local hockey associations. See Dan Roy for specific directions.)

The following forms are included with this packet and can be filled out before registration for your convenience.

- The BYHA Registration Form
- The BYHA Payment Contract

This is *very* different from previous years. Read it carefully before signing, as it is considered a legal contract. You may fill in the numbers as they apply to your situation. We understand that many families have arrangements where one parent registers and another parent is responsible for payment. **The parent who is responsible for payment should sign the Payment Contract.** Travel team participants submitted a \$200.00 deposit in the spring. If you ordered new jerseys, \$100.00 of that deposit paid for your jerseys. If not, the entire \$200.00 was applied to your program fee. All should be prepared to pay 50% of the remaining program fee at registration.

- The Medical History Form
- The USA Hockey Code of Conduct
- The USA Hockey Consent to Treat form.

If you wish, you can mail the completed forms (Don't forget a copy of the USA Hockey registration!) along with payment to:

BYHA  
PO Box 873  
Biddeford, ME 04005

**BYHA accepts both Mastercard and Visa.**
