Pee Wee team 4 sponsored by:
Home Construction, Inc.

Head Coach Randy Grant assisted by John Brown

[More Details](#) Home Construction, Inc. ("HCI") is currently undefeated with a "come from behind win" in the final seconds of last weekend's game against HVAC's Pee Wee 2. Randy Grant summed it up by saying: "I'm really proud of this team. Most of the boys haven't played together before, but they have really come together as a team. It's still early in the season, but I can already see great team play, support for each other and friendships forming. Win or lose, we are going to have a fun season."

Pee Wee 3 team sponsored by:
Gorham House of Pizza

Head Coach Kyle Neugebauer assisted by Al Timpson

[More Details](#) Pee wee 3 started off the season with a post-practice pizza party upstairs at the ice rink. With lots of pizza, chocolate chip cookies and brownies they enjoyed some team time relaxing together. Coach asks 2 things of his players every time they step on the ice. 1) Try hard and 2) Hustle!

Huskies House Christmas Tournament

Will be 12-28-07 thru 12-30-07

Mark your calendars for this league wide fundraising event. Parent participation has been invaluable in making this fun for all the teams who attend.

Schedules and sign up sheets will be out soon. We will need parents for scorekeeping, clock running, manning penalty boxes, working the snack and t-shirt counter and contributing to the bake sale. Donating an hour of your time before, during or after your skaters game makes this fun for everyone. Thank you!

after your skaters game makes this fun for everyone. Thank you!

T-shirt orders will be taken by the coaches./ administrators. Print your form from the tournament section of our website.

time relaxing together. Coach asks 2 things of his players every time they step on the ice. 1) Try hard and 2) Hustle! After the first few games this team is showing signs of a good hockey team with good sportsmanship hustle and team work.

Mite team 3 sponsored by:
Moody's Collision

Head Coach Steve Pock assisted by Phil Hooker

[More Details](#) This "mighty" mites team started off the season with a team barbeque hosted by player Drew Eid and his family. The kids enjoyed beautiful weather, a great game of whiffle ball, and delicious food together. Coach Pock has challenged the players to be able to dress in all their hockey gear completely on their own (with the exception on skate tying) by the end of the season. Many parents were thrilled with this idea!
