

Gregory E. Williams

February 2, 1963 - August 9, 2005

Greg Williams was a wonderful dad to East Coast Eagles Midget Major players Spencer and Andrew Williams. Greg passed away in 2005 after a valiant struggle against a recurring brain tumor. Greg was instrumental in getting his boys involved in youth hockey. He never missed a home hockey game and often traveled with the boys when his wife Amy wasn't able to attend. Greg was a fixture behind the net as Spencer took the goal for the Eagles and Andrew played defense out front. His greatest joy came from the time he spent with his boys. The Twins (as they are called by the team) took time to teach Greg how to skate and to play hockey and they spent many hours together on the ice. Greg will be missed for his great sense of humor, his even temperedness and most of all for his love of the game of hockey and the boys he was so proud of.
